### Course Groups

#### Public basic Courses
- Physical Education: 72 WKS
- Higher Mathematics: 40 WKS
- Organic Chemistry: 60 WKS
- Basic Chemistry: 66 WKS
- Physics: 48 WKS

#### System-based Courses
- Structure of the Human Body: 224 WKS
- Foundational Studies: 160 WKS
- Digestion and Nutrition: 66 WKS
- Infection and Immunity: 127 WKS
- Reproduction-Sex-Growth-Development: 52 WKS
- Body Homeostasis: 76 WKS
- Disease Mechanisms: 66 WKS
- Cardiovascular and Respiratory Systems: 80 WKS
- Neurology: 90 WKS
- Musculoskeletal System: 40 WKS
- Oncology: 20 WKS

#### Skill Courses
- Basic Clinical Skills: 204 WKS
- Biostatistics (Lifelong learning): 68 WKS
- Internal Medicine: 204 WKS
- Surgery: 68 WKS
- OB/GYN: 74 WKS
- Pediatrics: 74 WKS
- Family Medicine: 124 WKS
- Psychiatry: 30 WKS
- Emergency Medicine: 22 WKS
- Otolaryngology: 30 WKS
- Ophthalmology: 30 WKS
- Stomatology: 20 WKS
- Dermatology: 22 WKS
- Family & Geriatrics Medicine: 18 WKS

#### Clinical Courses
- Health and Society: 80 WKS
- Family Chinese & Medical Chinese: 308 WKS
- Pre-practice in hospital: 60 WKS

#### Others
- Total Hours: 2723 WKS

#### Optional Training
- USMLE Step 1: 430 WKS
- USMLE Step 2: 402 WKS

### Remark
Subject to fine tuning. Courses marked with ● are elective.
